

L'eXpérience @PARIS
by ABB

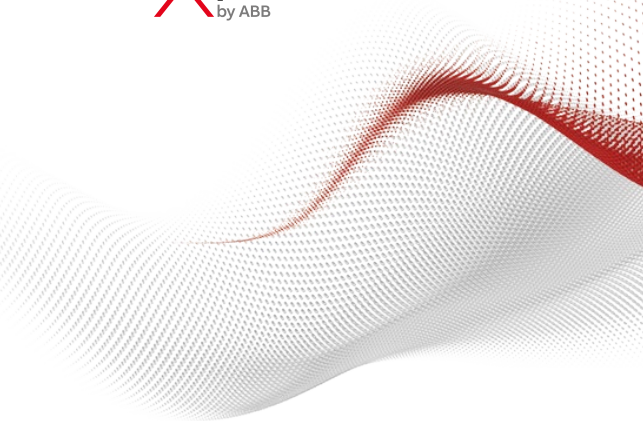

The text 'L'eXpérience' is in a large, black, sans-serif font, with the 'x' highlighted in red. To the right, '@PARIS' is in a smaller, red, sans-serif font. Below the 'x' in 'L'eXpérience', the words 'by ABB' are written in a small, black, sans-serif font. Above the text, a stylized black silhouette of the Paris skyline is shown, with the Eiffel Tower highlighted in red.

ABB opens the doors of his showroom

Join us in the heart of Paris for an immersive experience to discover ABB's digital solutions & innovations to design together a more sustainable and smarter world.

Out of 3 universes, L'eXpérience@Paris is a unique opportunity to discover with our experts ABB group's history, our vision and the challenges we want to raise with you!

Protect your family
and **secure your home**

Choose your lifestyle
and **stay connected**

Control your energy
consumption

Enjoy a great place to live and where it feels good.
Simply let your home do the work for you.

Smart Home

Enhance the value
of your property assets

Make your building
Ready To Services

Digitalize your buildings
and create collaborative
and safe spaces

In the bedroom, try our connected solutions (scenarios, entry systems...) and those of our partner Orange Business Service to take advantage of the added value of buildings services (parking, rooms, catering...).

Smart Building

Secure your installations and
make them more efficient

Avoid downtime of your
production equipment

Connect your equipment
and get real-time data

In the Workshop, plunge into the heart
of ABB Ability™ solutions.

Experience our innovations in infrastructures,
in energy distribution system or in motor control
and protection.

Smart Industry
