Information to suppliers about local specifics of the payment process in India

Dear ABB Supplier,

As part of global standardization of the payment process within ABB, find below the country specific information regarding the payment process.

This document contains country specific details. In case no local exception is defined in this document, the global standard applies mandatory.

The latest version of the global ABB Procure to Pay Process (P2P) for suppliers is available at the ABB supplier portal (<https://new.abb.com/about/supplying/doing-business-with-abb/invoicehandling>).

How to send invoices to ABB (related to chapter 2 of global P2P)

Invoices via physical mail service:

Physical invoices have to be sent to the invoice address mentioned in the PO.

Invoice requirements – deviations from global ABB standard P2P (related to chapter 6 of global P2P)

Listed below are the minimum details that an invoice must carry to ensure faster processing and avoid rejections. Please note any invoice not meeting this minimum requirement list is liable to be rejected by ABB. Payment due date will be calculated from the date of receipt of a valid invoice accepted by ABB or goods/service receipt whichever is later.
