

INFORMATION

# ABB system training - Melbourne

## Enrol in one of our free courses today

- Nexus® LX system training
- Nexus RF system training

—  
01 Nexus RF area controller

### Curriculum

Introduction to planning and installing hardware - covers the planning, installation and commissioning phases of a project.

System testing and maintenance - covers all software functions related to the testing and maintenance of your system.

### Location

The courses are run in Melbourne out of our training facilities at 601 Blackburn Road, Notting Hill Vic 3168.

### Time

Nexus LX 8.30am - 11.30am  
Nexus RF 12.30pm - 4.00pm

### Course capacity

Due to hands on training, maximum course capacity is 8.

### Certificates

Participants will receive a certificate at the completion of the course.

### Catering

Light refreshments available and lunch provided if attending 2 sessions on the same day. Please advise any dietary requirements.
