DOUBLE INSULATION

The symbol given on the electrical boxes, panels and soaled boxes, indicates that they are made in such a way as to realize protection against indirect contacts, by means of complete insulation.

For this purpose, they must be correctly installed according to the instructions supplied with the product and by using the accessories supplied (screw caps).

DOPPIO ISOLAMENTO

Il simbolo riportato sui centralini - quadretti scatole indica che sono costruiti in modo tale da realizzare la protezione contro i contatti indiretti mediante l'isolamento completo.

A questo fine esse devono essere correttamente installati secondo le istruzioni che accompagnano il prodotto ed utilizzando gli accessori forniti in dotazione (tappi copriviti)
