

# UAE utility authority chooses ABB's Ekip UP to upgrade competitor's circuit breakers

## APPLICATION

Utility

## COUNTRY / CUSTOMER / SITE

UAE / SEWA

## CUSTOMER NEEDS

Retrofit of LV trip units without retrofitting the entire breakers, using latest digital technologies

## SOLUTION

ABB provided Ekip UP Protect+ devices, to retrofit trip units adding metering and connectivity to ABB Ability™ EDCS. Applied on non-ABB breakers

## BENEFIT

# 50%

Less digitalization costs on brown field
