Dear Valued Customer,

The purpose of this communication is to inform you of an upcoming change to the following products. This change is part of our effort and commitment to continuous improvement of our products and our processes.

Description of Change

The central round window of the emergency stop button will be white instead of colorless.

Present emergency stop button New emergency stop button

Customer Impact of Change and Recommended Action

The emergency stop button will not shine as bright, but the color will still be visible, green, red, or off.

Reason for Change

The emergency stop button with the colorless window is not available anymore.

Product Identification

2TLA030056R0100 Smile 41 EWWWA ASi
2TLA030057R0100 Smile 41 EWWWP

Customer acknowledgement

Customers are requested to acknowledge this notification within 10 days of its issue date. Lack of response with 30 days of PCN release will constitute an acceptance of the change.

Please contact ABB if you have any issues with this PCN or require additional information.
