A schematic diagram of a classroom layout. The room is rectangular. At the top center, there are two windows. On the right wall, there is a door. Desks are arranged in three main sections. On the left side, there is a large rectangular area representing a teacher's desk or a group of tables. In the center, there are four rows of single-person desks. To the right of the center, there are four rows of double-person desks. Along the far right wall, there is a long row of eight single-person desks. A small blue triangle is located near the top center window.

-KF1

/Overview.1

A horizontal blue line with four red tick marks. Above the line, the numbers 1, 2, 3, and 4 are written in black. Below the line, the values 10+, 10-, 11+, and 11- are written in blue, each aligned with its corresponding tick mark.

IO.1

-KF1

/Overview.1

A horizontal blue line represents a number line. Two red tick marks are placed on the line. The first tick mark is labeled with the number '5' above it and 'UP' below it. The second tick mark is labeled with the number '6' above it and 'ZP' below it.

Technical drawing of a door handle assembly. The drawing consists of two parts: a side view on the left and a cross-sectional view on the right. The side view shows a rectangular handle with a series of vertical ridges. The cross-sectional view shows the handle mounted on a door, with a wavy line indicating the door's edge and a small rectangular component (likely a lock or latch) visible on the right side.

1

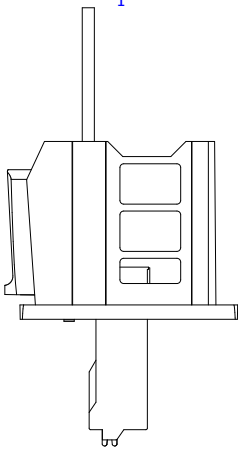

Technical drawing of a 2AI-RTD sensor assembly. The drawing shows a cross-section of a cylindrical component with a central vertical channel. On the left, a series of rectangular blocks are stacked vertically, representing a mounting or connection interface. The drawing is labeled with '-A4', 'ABB.1SAP187100R0002', 'TA5123-2AI-RTD', and a circled '1'.

/Overview.1

A horizontal blue line represents a number line. Three red tick marks are placed on the line. Above the first tick mark is the number '1', above the second is '2', and above the third is '3'. Below the line, the labels '10A', '10+', and '10-' are positioned directly under the first, second, and third tick marks respectively.

A horizontal number line with arrows at both ends. It is marked with 0, 10A, 10+, 20, 30, 40, 50, 60, 70, 80, 90, and 100. A red vertical line is drawn at 10A, and another red vertical line is drawn at 10+. A red arrow points from the 10A line to the 10+ line.

10-

10-

10.5

/Overview.1

A horizontal number line with three points marked by red vertical ticks. Above the line, the points are labeled 4, 5, and 6 from left to right. Below the line, the points are labeled II_A , II_+ , and II_- from left to right.

A horizontal timeline with a blue line. Two red vertical tick marks are present. The first tick mark is labeled 'I1A' in blue text below the line. The second tick mark is labeled 'I1+' in blue text below the line. The text 'I1+' is positioned further to the right than 'I1A'.
