Manufacturer's Statement

ABB ACQ580-31 compliance with IEC 61000-3-2

ABB low voltage, ultra-low harmonic drives series ACQ580-31 is compliant with IEC 61000-3-2.

ABB has verified that ACQ580-31 series drives below 16 A are compliant with limits set for harmonic currents in standard IEC 61000-3-2.
