

What can the ABB University do for me?

Courses offered by the ABB University are aimed at all levels across all industries and are particularly valuable for:

- Maintenance and engineering managers
- Plant engineers and reliability engineers
- Plant/operations managers
- Technicians
- Staff involved in improving plant uptime
- Operation staff

What do I get for my money?

All courses include a set of documentation, lunches and refreshments. Additional course documentation can be ordered against payment.

A full set of terms and conditions is available upon request
