

Give your buildings a new dimension

Scalable solutions for energy and asset management

Multi-site supervision for chain stores

Design and Specification

Ensure fast **payback** and increase sale or rental value of your facilities

Achieve **compliance** or **higher** class for **energy efficiency** standard (IEC 60364-8-1)

Leverage data to benchmark, speed up and optimize design and specification

Installation

Connect your electrical panel to the cloud in **only 10 minutes**

-60%

Reduce **cabling** and installation needs by 60%

-25%

Reduce connectivity **hardware** by 25%

Operation

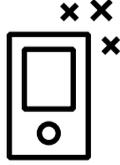

-20%

Save up to 20% on maintenance costs

-20%

Save up to 20% on energy bill

Simplify facility management: access the needed information from everywhere, at any time in 1 minute
