

Product: **Air quality sensor with RTC**

Type: **LGS/A 1.2**

Current application software: CO2, rel. Humidity, Temperature and RTC/1.1c

Correction

of: CO2, rel. Humidity, Temperature and RTC/1.1c

from: 07/2022

Corrections

Uncheck '*DownloadInfoIncomplete*' to complete the device.

Correction

of: CO2, rel. Humidity, Temperature and RTC/1.1b

from: 01/2022

Corrections

Change of the ETS catalog structure. No further changes to the previous version.

Correction

of: CO2, rel. Humidity, Temperature and RTC/1.1a

from: 07/2018

Corrections

Correction of the language files for the catalogue import. In the last version (V1.1) the German language wasn't shown at import into ETS5. However the language was available when selecting the option "Import all"
