

Recommended Spare Parts

Unigear ZS2

	Code	Description	I&C	2-5 years	10 years
LV Compartment	Project Based (Switchgear serial number required)	MCB Miniature Circuit Breakers	•	•	•
	Project Based (Switchgear serial number required)	Pushbuttons	•		
	Project Based (Switchgear serial number required)	Signaling Lamps	•	•	•
	Project Based (Switchgear serial number required)	Position Indicators (SI10-T, SI10-B)	•	•	•
	Project Based (Switchgear serial number required)	Auxiliary Relays+Socket Set		•	•
	Project Based (Switchgear serial number required)	Rotary Switches		•	•
	Project Based (Switchgear serial number required)	Door Handle set of LVC		•	•
	Project Based (Switchgear serial number required)	Heater 30W AC240V	•	•	•
	Project Based (Switchgear serial number required)	Internal Light for LVC	•	•	•
	Project Based (Switchgear serial number required)	Protection Relays			•
	Project Based (Switchgear serial number required)	Energy Analyzer			•
	Project Based (Switchgear serial number required)	Energy Meter			•
	Project Based (Switchgear serial number required)	Ammeter			•
	Project Based (Switchgear serial number required)	Voltmeter			•
	Project Based (Switchgear serial number required)	Thermostat, 0-30 °C		•	•
	Project Based (Switchgear serial number required)	Hygrostat		•	•
	Project Based (Switchgear serial number required)	Resistance for Trip Circuit Supervision	•	•	•
	Project Based (Switchgear serial number required)	VT Protection Device (TKR-2, VT Guard etc.)		•	•
	Project Based (Switchgear serial number required)	CT-VT Test Socket			•
	Project Based (Switchgear serial number required)	Capacitive Voltage Indicator	•	•	•
	Project Based (Switchgear serial number required)	Circuit Breaker (HD4, VD4, Vmax, VSC etc.)			•
CB Compartment	Project Based (Switchgear serial number required)	C.B. coil and motor set (MO1+MC+MS)	•	•	•
	Project Based (Switchgear serial number required)	C.B. blocking coil set (RL1+RL2)	•	•	•
	Project Based (Switchgear serial number required)	Door Handle set	•	•	•
	Project Based (Switchgear serial number required)	Open-close button set of circuit breaker	•	•	•
	1YTU110302K01	Heater 100W AC240V (with 2,5m cable)	•	•	•
	Project Based (Switchgear serial number required)	Female (fixed) contact for circuit breaker			•
	Project Based (Switchgear serial number required)	Bushing set (6pcs)			•
	Project Based (Switchgear serial number required)	Lever mechanism for shutter			•
	Project Based (Switchgear serial number required)	Metal Shutter			•
	Project Based (Switchgear serial number required)	Position contacts of CB on test/service position	•	•	•
Cable Compartment	Project Based (Switchgear serial number required)	Electrical Interlock of CB Operation	•	•	•
	Project Based (Switchgear serial number required)	Surge Arrester			•
	1YTU110301K01	Heater 100W AC240V (with 4m cable)		•	•
	Project Based (Switchgear serial number required)	Current Transformers (CT's)		•	•
	Project Based (Switchgear serial number required)	Voltage Transformers (VT's)		•	•
	Project Based (Switchgear serial number required)	Door Handle Set	•	•	•
	Project Based (Switchgear serial number required)	Electromech. lock RL3 coil for E/S	•	•	•
	Project Based (Switchgear serial number required)	Position Switches for Earthing Switches (BT1, BT2 etc.)	•	•	•
	Project Based (Switchgear serial number required)	Earthing Switch complete set (EK-6 or ST-US type)			•
	Project Based (Switchgear serial number required)	Auxiliary Contacts for earthing switch 5NC	•		•
Main Busbar	Project Based (Switchgear serial number required)	Auxiliary Contacts for earthing switch 5NO	•		•
	Project Based (Switchgear serial number required)	Fuse for VT's	•		•
	Project Based (Switchgear serial number required)	Insulation Tubes set for busbar (T-boot)	•		•
	1YTU020255K01	Lever Toolbox (include racking and E/S levers)	•		
	1YTU070350K01	Hydraulic Lifting Trolley for Circuit Breaker	•		
	Project Based (Switchgear serial number required)	Trolley for Circuit Breaker	•		
	Project Based (Switchgear serial number required)	Trolley for rear type VT	•		
	Project Based (Switchgear serial number required)	Di-electric test truck for cables	•		
	Project Based (Switchgear serial number required)	Earthing truck for main busbars	•		
	1YTW572708-140	Test truck for metal-shutter mechanism	•
