
SPECIAL TERMS AND CONDITIONS TO ABB ABILITY™ MARKETPLACE GENERAL TERMS AND CONDITIONS (“MARKETPLACE GTC”) AND ABB ABILITY™ GENERAL TERMS AND CONDITIONS (“ABILITY GTC”) FOR *EKIP CONNECT ADD-ON LICENSE*

1. Definitions

All capitalized terms used in these STC shall have the meaning described in the GTC except where the context of these STC require otherwise.

“Ekip Connect software”: free monitoring and configuration software for Tmax XT Hi- Touch and Touch (XT2, XT4, XT5, XT7) and Emax 2 Hi-touch and Touch (E1.2, E2.2, E4.2, E6.2) low voltage circuit breakers. The software can be downloaded from <https://new.abb.com/low-voltage/products/circuit-breakers/tmax-xt/software>. Downloading and installing Ekip Connect software is a prerequisite to enable the Connect Add-on License described in this STC.

“Connect Add-on License”: ABB Software license package used to enable advanced functions (see Annex A) on a Tmax XT (XT2, XT4, XT5, XT7) and Emax 2 (E1.2, E2.2, E4.2, E6.2) Touch and Hi-Touch circuit breakers hardware product using the Ekip Connect software.

2. Scope

These STC are applicable to any Connect Add-on License that enables a function in Tmax XT Hi-Touch and Touch (XT2, XT4, XT5, XT7) and Emax 2 Hi-Touch and Touch (E1.2, E2.2, E4.2, E6.2) circuit breakers products using the Ekip Connect software.

3. Product/Service description

These STC are applicable for all the Connect Add-on Licenses enabled through Ekip Connect software. The download and installation of Ekip Connect software is a prerequisite for the enablement of the Connect Add-on Licenses.

A detailed service description of the Connect Add-on Licenses purchased by the Customer through the purchase order process (the POP) can be found in Annex A to this STC. In some cases, depending on the installation needed or for the intended use, a Connect Add-on License may require the additional purchase of additional hardware, cabling, and related labor to allow the proper installation and commissioning of the enabled function(s). The requirement of these additional purchases has been described in detail in the applicable Service Description.

4. Support

When experiencing problems using the Connect Add-on License , the Customer may request support from ABB by sending an email to: it.el.electrification.digital@abb.com

5. Data export and retrieval

The Customer can export and retrieve Customer Content using the reporting function inside the Ekip Connect software.

In addition to the limitation of liability agreed as part of the Ability Marketplace GTC, ABB shall not be liable for any loss of Customer data stored on a third-party database.
