Update to ABB Stanilite® emergency lighting portfolio

Dear Valued Customer,

ABB's Stanilite® range of products continues to provide the Australian emergency lighting market with the safest, most reliable, environmentally friendly, energy efficient emergency lighting fixtures. Currently, the Stanilite portfolio of ranges includes Economy range, Signature range and Platinum range.

A recent review of the Stanilite portfolio identified an opportunity to realign the Stanilite ranges to better meet our customers' needs. Furthermore, in line with our sustainability commitments ABB is moving to supply only LiFePO4 battery technology, and moving away from Ni-Cd batteries.

Therefore, from June 2020, ABB will begin to phase out the Stanilite Signature product range. This means there will be two Stanilite ranges to select from – **Economy range** and **Platinum range** – streamlining the choice for customers. This will allow us to increase the inventory of these two ranges to increase support to the local market.

All Signature range products now have a direct replacement in the Platinum range. Overleaf you will find a table which details for every Signature range product the replacement/alternative Platinum range product.

ABB will continue to offer most Signature range spare parts (such as batteries). There is no intention to make the spare parts obsolete. They will remain available for purchase.

The table below outlines the schedule for phasing out of the Signature range.

Signature Range	Jun-20	Jul-20	Aug-20	Sep-20	Oct-20	Nov-20	Dec-20	Jan-21	Feb-21	Mar-21
Nexus LX										
Spitfire	Limited			Obsolete						
Exit					Limited			Obsolete		
Battens								Limited		
Circulars	Limited			Obsolete						
Flood								Limited		
Nexus RF										
Spitfire					Limited			Obsolete		
Exit					Limited			Obsolete		
Battens								Limited		
Circulars					Limited			Obsolete		
Flood								Limited		
Single Point (includes as fittings)										
Spitfire	Limited			Obsolete						
Exit	Limited						Obsolete			
Battens								Limited		
Circulars	Limited			Obsolete						
Flood					Limited			Obsolete		

We look forward to continuing working with you and supplying the Australian market with the highest quality emergency lighting solutions.

Should you wish to discuss this further, please do not hesitate to contact your local ABB sales representative or call our Electrification Products Customer Service Team

Phone: 1800 60 20 20

Email: AU-EP-SALES@abb.com

Yours sincerely
