

Naveo®Pro

Smart monitoring system to manage emergency lighting with a mobile app

Discover ABB's smart emergency lighting solutions controlled completely from your mobile device. Naveo®Pro enables a transparent way to set up, maintain and control the entire emergency lighting installation, while keeping a record of all activity safely in the cloud. Utilising the ABB Ability™ platform gives you integrated cyber security for safety and reliability, enables better maintenance planning, and reduces operating costs. new.abb.com/low-voltage
