Please note:

When creating a freight document, you can directly select PMA's customer account and produce a template which already contains PMA's data and to which you can add your freight terms and a placeholder for the important PMA order number.

DSV Global Transport and Logistics: large goods weighing 101kg and more

MyDSV, ABB PMA Customer No. Ref. 6885721

DHL is authorized to carry out customs clearances for PMA.

Please notify Mr. Volker Erdmann, volker.erdmann@ch.dsv.com, +41 616 907 310

PMA Transport / Pick-Up Orders - Additional Information:

Please instruct our partner companies to transport the goods by logging on to the relevant portal and entering the following mandatory input details into the input fields:

- **"Recipient": ABB PMA Customer No.** (for DHL or DSV, see below)
- **"Reference": ABB PMA Order Number** (so that PMA can assign the shipment and pay the transportation invoice and/or the customs bill)
- **"Recipient of Shipment Notification": pma-einkauf@ch.abb.com** (so that PMA Purchasing is automatically notified of the status of your shipment)
- **"Comment": Note on customs clearance regulation for ABB PMA** & other important notes for the forwarder or customs agent (to ensure smooth processing)
- **"Delivery date":** the relevant delivery date plus the word "FIX" (because delivery would otherwise be one day earlier or later; this would present a problem if fixed delivery dates had been agreed)
