Ceiling cover with DCL lamp outlet

New black colour

01 AKK14M
Black

Ceiling cover with DCL outlet now available in full black. Fade or play with new luxurious colour and modern design.

The ceiling cover with DCL outlet can be installed on Junction boxes AU70, AU70FR, AU8, AU19 and AU8.73. It is very safe and easy to use for the end consumer, as they can snap-in the DCL plug in the socket. The hook is pre-installed and is approved for 15 kg load. The cover has a knock-out for an extra DCL outlet AKL6, which can be ordered separately.
