ABB TRAINING CENTRE CLASSES:

All equipment is cleansed prior to use.
Hand sanitiser available throughout and face masks will be made available but not enforced.
Buffet lunches are provided, please advise of any dietary requirements prior to attendance.
Safety shoes and Overalls will be required for Mechanical Maintenance classes

[ABB Ltd - Google Maps](#)

ONLINE TRAINING WILL REQUIRE THE FOLLOWING:

Each student will need a computer with Internet connection, a headset with microphone and webcam.
RobotStudio and RobotWare Installed. RW6.14.xx for IRC5 and RW7.7.xx for OmniCore.
You can take advantage of the 30 day trial license, alternatively we can supply a temporary license for the duration of your class.
Download the latest version of RobotStudio following the link below, (RobotWare can be installed from Add-Ins tab, RobotApps/RobotWare)
<https://new.abb.com/products/robotics/robotstudio/downloads>

CUSTOMER SITE TRAINING WILL REQUIRE THE FOLLOWING:

Please note that courses held at the customers site are limited to a maximum of 4 students. The daily cost will be £2040 net.
We will require the use of a suitable robot /work area and a classroom throughout the entire duration.
Shared equipment will need to be cleansed in-between use and social distancing observed.
For course booking please contact Jacqui Crealock on 01908 350481 or E-Mail: robotics.training@gb.abb.com
