Software-Information to: Room Master 3/1.1a
 at: 06/2013

1. General

The application is now available in 8 languages.
(German, English, French, Spanish, Italian, Russian, Dutch, Polish)

Software-Information to: Room Master 3/1.1
 at: 12/2012

1. Output D and input a:

Scene and logic in output D are inactive.
Malfunction in the input a, when parameterized in output D "scene" or "logic".
Note: Parameters of the logic from the output D are "Room Master 3/1.0" not converted. They are given default values.
This has been fixed.
