

System Demonstration Case

DESCRIPTION

The CBX/FLX/ASPECT® SYSTEM DEMONSTRATION CASE comprises a basic ready-built CBX/FLX/Aspect site in a portable case. It is ideal for resellers to display the features of the CBX system to customers, and for installers to use in training personnel.

APPLICATION

The CBX/FLX Demo case gives a working demonstration of the Cylon CBX expandable MSTP BACnet Building Management System using Cylon Engineering Centre and Aspect tools.
